HERBAGE REVIEWS—1936—SUMMARY OF CONTENTS.

Original Articles. *Page.*

Aronson, Linder. Seed production in Scania, Sweden ..... 65—70

Buckley, G. F. H. Forage crop management on the black soils and in the Aspen Grove Belt of Western Canada ..... 143—7

Chippindale, H. G., and Milton, W. E. J. Notes on the sampling of soil to determine the content of buried seeds 12

Clarke, S. E., and Tisdale, E. W. Range pasture studies in Southern Alberta and Saskatchewan ..... 51—64

Dwyer, R. E. P. Lucerne breeding technique. A new system of close breeding ..... 1—8

Govaert, R. Grassland research in Belgium ..... 9—11

Ullmann, W. Natural and artificial hybridization of grass species and genera ..... 105—42

Valle, Otto. Pollination and seed formation of the clover species..... 71—7

Reviews.

A survey of the agricultural and waste lands of Wales ..... 154—5

Alfalfa seed investigations in Utah ..... 166—8

Ecology of Thuringian meadows ..... 26—31

Economic possibilities of *Spartina Townsendii* (The) ..... 151—3

Fodder problem in Palestine (The) ..... 39—40

Forage crop research in Prussia ..... 156—63

Forage problem in Uruguay (The) ..... 78—81

Haymaking on frames ..... 82—93

Lucerne and pastures in Argentina ..... 41—2

Manuring of Swedish meadowland ..... 37—8

Pollination and seed setting of red clover ..... 164—5

Romney Marsh problem (The) ..... 148—50

Seed production in Norrland ..... 35—6

Seed production of lucerne in France ..... 24—5

Scanian Seed Production Association (The) 94

Swedish Seed Association (The) ..... 32—4

Vegetation in erosion control ..... 13—23

Western Range (The) ..... 169—71

Conferences.

United States of America, 1929-1934 43

Prague, 1935 ..... 43—4

Paarl, South Africa, 1935 44

London, 1935 45

Chicago, 1935 ..... 45—6

Aberystwyth, 1937 ..... 46—7, 100, and 175—81

Melbourne, Australia, 1935 95

Stockholm, 1935 95

Copenhagen, 1935 ..... 95—6

Oxford, 1936 ..... 96—8

Pullman, Washington, U.S.A., 1936 98

Swift Current, Saskatchewan, Canada, 1936 ..... 98—9

Fredericton, N.B., Canada, 1936 99

Oxford, 1937 ..... 99 and 175

Calcutta, 1935 172

Amsterdam, 1935 173

Moscow, 1936 ..... 173—5
Netherlands, 1936 175
Zürich, 1937 181
Moscow, 1937 181

Annotations.

Holland, Rumania, Southern Rhodesia ..... 48—9
Great Britain, Sweden, Switzerland, Algeria, Canada ..... 101—2
Great Britain, Germany, Czechoslovakia ..... 182—5
Norway, Sweden, Switzerland, Canada ..... 185—7
United States of America, Chile ..... 187—90

HERBAGE REVIEWS—1936—CORRIGENDA.

No. 4. p. 168, line 20, for farming read forming.
No. 4. p. 130, Table 3, *Alopecurus* section, for *A. agrostis* read *A. agrestis.*
No. 4. p. 131, Table 3, *Agrostis* section, for *Aspera* read *Apera.*
